Pell Lifetime Eligibility Used (LEU). There is a limit to the total amount of Federal Pell Grant that a student may receive, which is equivalent to six school years (or 600%). Once you reach the 600%, you will be ineligible for any additional Pell Grant funding. The eligibility calculation includes all Pell Grants you have received at any college or university in your lifetime.

What this means for you: This limit is a LIFETIME limit, regardless of completion of your academic goals. This regulation is in effect even if you have had an appeal approved after failure to meet academic progress, it supersedes any prior offer of aid, and the Department of Education allows for no appeal or exception to this limit.

Please review your Pell Grant history at <https://studentaid.gov>. After logging in, you will see a breakdown of your loans and grants. Click on 'View Details' in the upper right corner above the display chart; click on the second tab 'Grants' and then scroll down to see 'Pell Lifetime Eligibility Used'.
