Notes:

150% of normal time is defined by the length of the program. For example, the normal completion for the Associate of Arts degree is two academic years, so 150% of normal time is three academic years.

Additional Note:

While it is recommended to provide gradution and transfer data broken out by sport in addition to gender and race/ethnicity, it is required that disaggregated rates are to be disclosed only if the number of students in each group is sufficient to yield statistically reliable information and would not potentially reveal personally identifiable information about an individual student.
